JINDRICHUV HRADEC

- Jindrichuv Hradec is a peaceful South Bohemian city
- Jindrichuv Hradec is a popular destination for tourists visiting the beauty spots of the South Bohemia
- A city with numerous cultural and historical monuments and with one of the largest castle and chateau complexes in the Czech Republic
- Centre of the city still retains the pleasant whiff of a royal atmosphere
- Visitors can find many romantic spots among the winding streets of richly decorated merchants' houses with colourful facades
- Jindrichuv Hradec Museum has the largest mechanical nativity scene in the world
- Jindrichuv Hradec is a city with rich cultural life, consists of various local cultural events, regional and national music festivals and traditional festivities, and a range of possibilities for student life

CZECH REPUBLIC

- Located in the heart of Europe
- Official language: Czech
- Currency: Czech Crown – CZK (koruna česká)
- Time zone: GMT +1
- Capital: Prague
- Famous for glass industry, hundreds of breweries and spas
- 12 UNESCO World Heritage sites
- Castles and chateaux all around the country
- Beautiful nature sceneries, including many national parks and preserved places, mountains and lowlands with vineyards
FACULTY OF MANAGEMENT

- The youngest faculty of the University of Economics, Prague (VSE)
- The only faculty of the VSE located outside of the capital
- Offers education in the fields of Economics and Management for nearly 1500 students
- High-skilled professionals from various spheres of management
- New flexible modular study programme

The Faculty of Management collaborates with an ever-expanding number of partner companies. Representatives of these companies attend classes and allow students to get to know the real environment by the company's tours.

STUDY SYSTEM

- New academic year starts at the beginning of September
- It is divided into the winter and summer semesters (terms)
- The teaching period lasts 13 weeks
- The examination period lasts 6 weeks
- The assessment methods and criteria are always specified in the course's syllabus
- At the beginning of the first lecture the lecturers usually present students the basic organizational rules including the assessment method
- The exchange students can choose from several courses from various spheres of management and marketing

The University of Economics uses the European Credit Transfer and Accumulation System (ECTS) as a standard for comparing the study attainment and performance of students. The assessment is based on student's overall score:

- Excellent (90 - 100%)
- Very good (75 - 89%)
- Good (60 - 74%)
- Insufficient (0 - 59%)
BUDDY SYSTEM

Buddy System helps foreign students who come for an exchange program to University of Economics, Prague by giving them a “friend - Buddy” who advises and helps them with essentials things for their stay (accommodation in dormitories, orientation in school and city etc.). Activities of organization also include trips and students activities (Orientation Week, parties). Each of the Faculties of University has Buddies for students who arrive for an exchange program. one Buddy is for one foreign student. Being accepted to study abroad at the University of Economics, Prague will automatically make student registered for the Buddy Program and a Buddy will automatically be assigned to foreign student.

The Buddies will:
• pick student up at the airport or bus / train station,
• help student with the transportation to the dorms and get a room,
• help with the paperwork at the dormitories office,
• help student during Orientation Week,
• help with basic orientation in the city, at school, explain public transportation system,
• help during the entire semester, e.g. go to the doctor with student or deal with public offices,
• help with moving out from the dorms at the end of the semester.

ORIENTATION WEEK

Orientation week is organised in order to get essential information for all incoming students before the beginning of semester. Generally, students get familiar with the University, city and culture. They gain necessary information for their start at the Faculty of Management and in Jindrichuv Hradec. During the Orientation week incoming students get ID cards and all the information about:
• study duties,
• cultural events and trips they can join,
• how to deal with Cultural Shock.

INTERNATIONAL DAYS

• For meeting with students from different cultures
• To exchange information
• Incoming students have the opportunity to present their country and University to their Czech classmates
• Czech outgoing students can share their experience abroad
STUDENTS LIFE

UNIVERSITY SPORT CLUB
University Sport Club offers more than 15 sport activities during the week. Students are allowed to attend lots of sport activities, such as aerobic, zumba, indoor training, TRX, swimming, alpinning, etc. USK also organizes annual Christmas swimming competition and Eastern running race.

ALFA RUN
An annual 5 km long run during which students can support local charity organization and also make something healthy for their bodies.

INTERNATIONAL DAYS
An enjoyable action where everybody can see photos and posters of countries visited by students within the exchange program. Erasmus students present their country and universities.

HALLOWEEN NIGHT
If you want to be a part of American Halloween feast don't hesitate! You can carve pumpkins and compete for the best Halloween costume or the scariest pumpkin.

FAMA DRAMA CLUB
The students’ drama club arranges one performance focusing on Czech comedy or popular fairy tale in the end of each term. It is usually one of the most popular free time events at the Faculty.

CHRISTMAS CELEBRATION AND CHRISTMAS MARKET
One day devoted to celebration of upcoming Christmas. You can buy some nice gifts, get the Christmas punch and sweets. In the evening there’s a guided city-tour ending at the old castle tower.

THE NERD OF THE FACULTY & STUDENTS' PARTY
Traditional Pub Quiz knowledge competition where 5 students' teams compete for the title of the smartest team at the Faculty. Students also organize big thematic party called the „Bufet” on the first Tuesday of each month. Students have fun at the club wearing a costume in accordance to the theme. Great opportunity to meet new people.

REASONS TO STUDY AT OUR FACULTY

THE ENVIRONMENT OF THE BEST KNOWN AND OLDEST CZECH ECONOMIC UNIVERSITY
In 2016 the University of Economics, Prague repeats its success as it has placed among the top three Business Schools in the Eastern Europe in the annual international ranking of Eduniversal. These results resemble the ones from 2014 when VŠE took second position. In 2015 it ranked first.

A HIGH QUALITY EDUCATION IN ALL THREE LEVELS OF UNIVERSITY STUDIES
Faculty of Management provides an education at the bachelor, master and doctoral levels both in full-time and combined forms. Masters’ students can focus their study on four different specializations - business management, health care management, management in public sphere and information management.

RECENTLY RENOVATED CAMPUS
Thanks to EU funds – OP Research and Development for Innovation, the faculty has gone through complex reconstruction in last few years. The dormitory and the main building of the faculty has been completely reconstructed, the new library and information centre has been built. At the moment it is one of the most modern facilities in the Czech republic.

FEEL AT HOME IN THE FRIENDLY AND FAMILY ATMOSPHERE
Students of the faculty especially value the “family” character of the school and helpfulness of the employees. At the Faculty of Management you are not just a number in the information system, you are a part of our large family. New students are mentored by their older schoolmates (mentoring programme) who advise them of the organization of studies and other matters.

STUDY AT THE FACULTY OF MANAGEMENT AND DISCOVER SOUTH BOHEMIA
The picturesque town of Jindrichuv Hradec is a very quiet and safe place to live in. It is located in a lovely countryside of the eastern part of the South Bohemian Region. The countryside is typical for the ponds, deep forests and the hilly horizons of the Czech Canada. There are also many attractive tourist destinations in the South Bohemian Region and its near surroundings, you can visit beautiful places that belong to the UNESCO World Heritage Centre like Cesky Krumlov or Telc or national historic landmarks like Hluboka nad Vltavou, Trebon, Cervena Lhota and many others.
